

DOOR STYLE GUIDE

Featuring 2020 Trend Highlights

DOORS CURATED BY CORE STYLE

Doors make all the difference when it comes to introducing a space and those who live in it—that's why Masonite offers interior and exterior doors that complement any home. To simplify your selection process, we've arranged doors by core styles, which are based on the four most popular styles of homes in the USA: Classic (p. 3), Craftsman, (p. 7), Modern (p. 11) and Transitional (p. 15).

2020 TREND HIGHLIGHTS

For added inspiration, we've paired one emerging home design trend with each core style. Trends are based on proprietary research from international trend forecasting agency Stylus and reflect contemporary attitudes and lifestyles.
